

Membership Application

Membership: All golfers registering for an MGA Membership will receive all the amenities including access to early registration, access to the mobile app, partner discounts and receive our weekly rules emails and tournament eBlasts. Associate Memberships (Silver, Gold, Patron and Platinum) memberships include tournament credits for those who play in MGA state championships. If you do not have a GHIN handicap at a Mississippi Member Club a number will be activated for you and sent by email.

Eligibility: Participants in Mississippi Golf Association State Championships are required to have an established GHIN handicap index at a Mississippi Member Club to meet the eligibility requirements. If a participant's home club is not a Mississippi Member Club using the MGA GHIN Service, he or she will have to join the MGA as a Masters Club Member. All active golfers on the Mississippi GHIN Service are individual members of the association and will receive emails and eligibility to participate in our championships.

Lifetime Membership: All golfers are invited to become a lifetime member of the MGA and have their name etched in history. You will receive all of the membership benefits, plus your name is added to the Lifetime Membership Page, recognition at state championships, and a commemorative gift.

Masters Club: The Masters Club was formed as an additional membership option to give golfers the opportunity to establish a USGA handicap index using the GHIN handicap computation service. This allows our membership to compete in MGA State Championships if they do not already have a GHIN Number through a Mississippi Member Club. One unique feature of the GHIN handicap computation service is the eRevision. If you have an e-mail address you can have your USGA Handicap Index information e-mailed to you automatically upon every revision. The eRevision also contains a convenient printable copy of your handicap card to verify your Handicap Index. Masters Club Members will also receive a membership packet by mail.

Under Par Club \$25: The Under Par Club was formed for golfers who are no longer in junior golf but wish to continue a USGA handicap index using the GHIN handicap computation service. A golfer registering for this membership must be between the age of 19 and 29. Members of the Under Par Club are eligible to play in any MGA State Championship. Members will receive a packet by mail with a bag tag and GHIN Handicap information included.

**a portion of your membership is tax deductible*
